New: ETOS Women Workshop

20.-21.02.2025 | Assertiveness: Strategies for effective and authentic communication and leadership

This workshop focuses on hands-on strategies for building assertiveness and mastering effective communication in professional settings, enabling participants to express themselves confidently and navigate workplace interactions with ease.

Location: KIT, Campus East
Registration: By 13.02.2025 to contact@zukunftscluster-etos.de

In this edition of Equal4ETOS, we would like to draw your attention to various career-enhancing workshops (both online and in-person) and mentoring programs.

Interested participants are encouraged to register for the workshops that best align with their goals and interests. **Participation fees may be covered by the Equal4ETOS project.** To register, please use the application form available on our [website](#).
